Freefall (Love Inspired Suspense)

Synopsis

With one accusation, army officer Cassidy Matthews's name, reputation, and life are on the line. A Special Forces soldier insists that Cassidy's Fort Bragg-based unit is smuggling drugs. And the accuser? It's Cassidy's handsome, stubborn ex-husband, Major Shane Logan. Shane knows Cassidy is innocent, which is why he's sure she's being set up to take the fall. Proving it, though, means working together and trying to ignore the feelings they still share. The closer they get to the truth and each other, the more the danger grows from a ruthless criminal who'll stop at nothing to destroy them both.

Customer Reviews

I really loved this story. The web of anger and bitterness these very likable characters were caught in for years couldn't have been untangled by anyone but God. It's usually only after the web is untangled that we can look back to see how God's direction of events and timing have brought us through. Freefall is exciting from the first page to the last, and there are enough twists and turns to

keep you guessing. In all of the excitement I'm glad that God gets the credit for the happy ending.

It was a very good read and I liked the mystery at a military operations facility. It was a believable story and the characters were likeable. I love second chance relationships, especially in a marriage that has gone sour. I did walk away from this book, which means I really would have given it 4-1/2 stars, but it's not an option. If I can walk away from a book for a few days, you don't quite earn 5 stars with me.

This is the first book I have read by this author but it won't be my last. This was a wonderful mixture of mystery, romance and faith that had me hooked from the first pages. I read it in one sitting because I couldn't put it down. I really enjoyed this book and look forward to reading more books from this author.

started reading same day received the book love it love it. Jodie is a great writer

This book was intriguing, heart-warming, exciting, and thought-provoking. It was fascinating to watch the journey of Shane and Cassidy unfold and how the author showed God working in their lives for His will and purposes. I thoroughly enjoyed this book and definitely recommend it!

Loved the story and well written. I'm now moving on to read her next book!! I'm sure this next one will be just as suspenseful!

Freefall is the perfect blend of tension and romance. You just get sucked in by these characters and can't stop until you reach the end. Wonderful book!

Jodie Bailey is an awesome author. Freefall is fast paced and grabs your attention quickly. Cassidy and Shane have a lot of obstacles to overcome. With God's help anything is possible.
