Political Buttons, Book III 1789-1916: A Price Guide To Presidential Americana

Synopsis

The finest collections throughout the country were photographed to assemble this remarkable record of American political history since George Washington's era. The book prices and pictures in black & white 4,000 presidential campaign items such as portrait badges, ribbons, textiles, tokens, posters, china, canes, mechanical novelties, flags, ferrotype and cardboard badges, celluloid badges, and many other unusual campaign collectibles. Complete election statistics are included and each item has a code number. This is the first and only comprehensive reference work on presidential campaign artifacts of the 19th century.

Complete election statistics are included and each item has a code number. This is the first and only comprehensive reference work on presidential campaign artifacts of the 19th century.

Purchased for my son in law who collects pins. He really enjoyed going though it to see all of the different pins. Prices on the pins in this book are out of date, but it lets you see what is out there.
