Sticky: 10th Anniversary Ed.

Synopsis

Sticky is the groundbreaking collection of character based, body-positive tales of man-on-man carnality and sweetness written by Dale Lazarov and drawn by Steve MacIsaac. It's now in its 10th anniversary of publication! TimeOut Chicago says "carnality and sweetness is the exactly the right combination that makes Sticky a real standout in the genre. Readers will find the material is hot and unabashedly romantic." Pop Matters notes that "by abandoning political screeds or stories about shame, secrets, family acceptance, and all the other storylines that are used over and over again, Sticky makes a powerful political statement: this is normal." Sticky features several comic stories that, while incredibly hot and masculine, show how gay men not only just hook up: they connect. In "Hold On", a casual street fair hook up between two hot guys turns into an extended challenge to see how far they can go while delaying climax. And they go pretty far! "Talk Show Queers" looks into what happens to the gorgeous gay rodeo star after he's been brutally dumped by a boyfriend who declares himself straight in front of a talk show audience: the cowboy gets picked up by the hot, burly security guy sitting front row center. Naturally, they get down to some sticky business. In "Treats", a hot, butch pirate and a muscle-bound monk meet at a grad school Halloween party. Trick or treat? Both, if it's good! Unzipped agrees: "What's cool about [Sticky's] man-on-man comic action is that it's not just hot, it's also friendly, and, well, versatile."

Book Information

Hardcover: 80 pages

Publisher: Sticky Graphic Novels; -10th Anniversary ed. edition (March 31, 2016)

Language: English

ISBN-10: 3959850603

ISBN-13: 978-3959850605

Product Dimensions: 7 x 0.6 x 9.2 inches

Customer Reviews

"Sexy, stylish, minimalist... an intense mixture of erotic realism and the freedom of comics storytelling makes STICKY a pleasure to have in one hand." Clive Barker, author of "Books of Blood" and "The Thief of Always"

Dale Lazarov is the writer/art director of PEACOCK PUNKS (drawn by Mauro Mariotti), FAST FRIENDS (drawn by Michael Broderick), GREEK LOVE (drawn by Adam Graphite), GOOD SPORTS (drawn by Alessio Slonimsky), NIGHTLIFE (drawn by Bastian Jonsson), MANLY (drawn by Amy Colburn), and STICKY (drawn by Steve MacIsaac), wordless, gay character-based, sex-positive graphic novels published in hardcover by Sticky Graphic Novels and in digital format through StickyGraphicNovels.com. He lives in Chicago.

I like Dale Lazarov's comics because he is always telling stories related to the gay culture without any kind of speech, just a few frames and you understand the action, feelings and passion of the characters. Though this volume does not depict much images of the couple print on the cover, it actually has some romantic and delightful lines of musculature to stare at. If you like to experience comics of different points of view, Dale Lazaro is definitely for you to try out. I would recommend you to start out with the MANLY volume, after all, I think that's his best, this one being the second in place.

Loved the simplicity of the graphic book. No dialogue anywhere in the book. If you wanted a easy erotic book to get you in the mood QUICKLY, this is the one. Loved the stories. The men are very masculine, and if you lean towards the hirsute, there are plenty of them in the book. A great find to add to my collection!

though its just an erotic comic book without words i still found this book to be awesome. highly recommended just for the drawings

I really enjoy it, was hot and nice having this book on my hands. I already gave it away to a friend who is an illustrator and was so pleased

I have to say I was underwhelmed by this book. The lack of text makes it more accessible to a wider range of readers, and the story lines were clearly understandable from the drawings, but the art style was somewhat off. It's hard to say why, exactly, but there were several times when the proportions seemed odd, and that distracted from the overall hotness of the message.

Horrid Artwork... very unerotic... bodies looked deformed most of the time (and not in a good way)... very disappointed!

This is a fun book, contains no text - only wonderful illustration, a bit confusing storywise but it hardly matters as it's really just about the sex, and there is plenty of that!
