# Gunflint: Reflections On The Trail

## Synopsis

Justine Kerfoot has lived on Minnesota's remote Gunflint Trail for five decades. She's gutsy, knowledgeable, and humorous. Most of all she's real-a unique woman of strength and character! Her keen observations and warm sensitivity recreate memorable episodes and touching moments from her years on the trail. --This text refers to the Paperback edition.

## Customer Reviews

A beautiful area of the country, the Gunflint is growing increasingly populated compared to the years of the author. The book is rather dated and written about birds and bees---literally---and is more of a diary of every day happenings on a very leisurely lifestyle. Too slow for me.
