Having only owned this book for about a month, it is already well loved by my children (ages 2 and 5). Each time we read, they insist on doing the cool cat boogie dance together. The book itself has a really cute message for children which is for them to be themselves, and to not worry if they're not doing things right. A high quality and well made book, which was a surprise as this was our first Pete the Cat book; it looks like we'll be buying more from the series!

Very cute. Miss the songs like the originals had but I liked this a lot.

Such a cool Pete the cat book. My granddaughter loves Pete the cat. Easy big words to read. She's six. It has the cool Cool Cat Boogie dance at the end of the book.

My niece loves to read Pete the Cat. We also look up the videos on youtube to go along with some of the stories - she can sing along with them.

Bought as a gift for a 4 year old's birthday. He and his sister both love the Pete the Cat books. Since this one is newer, I suspected they didn't have it yet. I was right! And they have reported both kids

love it and want it read to them every day!

My four year old son loves Pete the Cat. There's a fun dance routine at the end of the book. It gets us off the couch and moving!

We own all the pete the cat books. I LOVE this one! A great addition to the collection!

My husband heard this in the library during story time and wanted to own a copy.
