Good book.

Thank You

If you are hungry to learn more about walking with the Holy Spirit day in and day out!! Then this book is for you!

After years and years of trying to manage our finances our way, and become financially independent and debt free our own way --we have finally admitted we CANNOT do it on our own and sure can't do it the world's way. Now on track in doing it God's way and we have already seen the results!! NO MORE LACK!! NEVER BE BROKE ANOTHER DAY IN OUR LIVES!!

I thought this was an amazing book. I have ordered it for all of my sisters and brothers. I had bought it at a church garage sale some time ago and it was sitting on my shelf. I'd become frustrated with the up and down movement of our finances, the various teachings on tithing and just being broke and in fear of financial failure too much of the time. Even when there was plenty of money in the bank I lived in fear. So, I prayed and asked God to specifically teach me the truth and nothing but the truth about money and how it works. "Strangely" enough I picked up this book off my own shelf and began to read it. The book creates a clear picture from the WORD of God using the scriptures and promises of God to back up every paragraph. I am no longer confused about finances. I understand the Laws of God from His Word now and have been using them for 6 months. I thought it would take me 3 years to get out of debt or more. My friends will testify to their amazement. All of my credit cards are paid off and there is money bank. I was even able to purchase a modest boat for our family with cash this summer. Praise God. The Laws of Prosperity are the Laws that work every time. I have learned to speak the Word over our finances, give with understanding and walk in freedom in this area. OH! Just this week my husband received a 19% pay raise and a double increase in his position at work from Assistant Fleet Machanic to Senior Mastor Fleet Machanic. Just Wow! I have just encouraged myself by writing this review! Gina Warrington Round Rock Texas

The book is a super eye opener and a powerful guide into the connection between the spiritual and material world. I give it a full 5 star rating with no reservations because of simplicity yet profound revelation for what all men seek, a reunion to our maker.
