Block Print: Everything You Need To Know For Printing With Lino Blocks, Rubber Blocks, Foam Sheets, And Stamp Sets

Synopsis

Learn to create classic block print patterns for greeting cards, wallpaper, book illustrations and more with Andrea Lauren's easy step-by-step instruction! Artist and Designer Lauren shows you simple techniques for creating your own printing blocks out of art-foam. With no cutting and chiseling, these art-foam blocks can be made into shapes and patterns using only scissors and a pencil. Use these printing blocks, or purchased stamps, to create repeat patterns or bundled groupings to get that classic block print look for wallpaper, book illustrations, framing prints, greeting cards, gift wrap, fabric prints, and so much more! Throughout the book, find inspiration from selected works of block print artists from around the world. The new, easy-to-use block printing materials are great for beginners and skilled artists alike. Make your mark with Block Print!

Andrea Lauren is a London-born printmaker and fabric designer who now lives in the United States. Her digitally printed fabric is available from Spoonflower. Selections of her original art prints are available at galleries across the United States. You can also find her on www.inkprintrepeat.com, where she shares her enthusiasm for printmaking.

Nicely laid out, well illustrated book. Can't wait to try some of the techniques included in the book! Would buy again!

This book is amazing! This book answered so many questions I had about printing, it is well-written

and also features some awesome artists the author is inspired by. Must have for anyone interested in printing!

The book is a good starter book on block printing. It has many good ideas, and lots of examples. I had hoped for a little more advanced technical material.

Opened my printing style. Helped me carve in a more whimsical manner. Love her work.

Loved this book. It really inspired me to do multicolor multi block printing which I was hesitant to try on my own. It is also a beautiful book.

a great reference to have. Thank you.

Great book. Lots of instruction as well as specific projects.

Book is great. Shipping was as advertised. I was pleased.
