A description of the item first. This is published by YAMAHA music media and is TWO books. The larger book contains music for a piano accompaniment along with the Alto Saxophone music above it for EACH song. Very Awesome. There are 25 songs total and a music CD is included that has a digital keyboard accompaniment for each song as well as a tuning tone as the last track. VERY AWESOME AGAIN!! The second book is only the Alto Sax music but it opens flatter than the big book and is great for setting on a music stand. All of the writing is in what I assume to be Japanese, but music is an international language and the seller provides a very nice translation index along with the book. Without this it would be impossible for me to have figured out what was in the book. I got this for my teenage daughter's birthday and she was fighting back tears when she opened it and saw that it had all her favorite songs. This is by far the nicest book available; there are other books that say Alto Sax Studio Ghibli but I would not recommend buying anything other than this book. The quality of this book would be very hard to beat. Includes Songs Nausicaa Valley of the Wind - Opening Song, Castle in the Sky - Innocent (Carrying You), My Neighbor Totoro - My Neighbor Totoro, Sampo (Promenade), Cat Bus, Path of the Wind; Kiki's Delivery Service - A Seaside Town, Departure, On a Clear Day, Beginning the Job, When Embrace in Tenderness; Porco Rosso - Time of the Cherries; Whisper of the Hear - Take Me Home, Country Road; Princess Mononoke -

Princess Mononoke, Ashitaka's Myth, Ashitaka and San; Howls Moving Castle - Merry Go Round of Life, Promise of the World; Spirited Away - Always Dream the Same Dream We Love, Day of the River, Again; Tales from Earthsea - Song of Terhu; Ponyo on the Cliff by the Sea - Ponyo on the Cliff by the Sea; The Secret World of Arrietty - Arrietty's Song; From Up On the Poppy Hill - Summer of Goodbye/From Up On the Poppy Hill.

This book is great! I mean, it's in Japanese, and I can't read Japanese, but I knew that from the beginning. There is a paper inside that has the names on the songs in English and Japanese and they're in order, I love it. I'm listening to the CD now, I can't wait to play this music! I've loved Studio Ghibli since I was a kid.
