## Customer Reviews

Elizabeth Shimer is a freelance writer who specializes in women's health and lifestyle issues. She lives in Allentown, Pennsylvania.

Saw this book at the library and had to own it. It's detailed without being overwhelming. The images are great. Really loved this book.

This book shows beautiful pictures, but also helps you decide the ways to accentuate the positive and eliminate, or create an illusion that helps cover, the negative. Great idea for someone that has NO idea where to start. The most important dress you will ever wear, hopefully only once, should be perfect. This book will certainly help!
