Dance Of The Heart: Augusta Leers And Edward Homer (The Elusive Groom Book 7)

Synopsis

Augusta Leers's promising career as a ballerina ends abruptly. Betrayed by the man she believes loves her, she feels her only option is to leave New York City for the west, where she hopes to find a new life. Edward Homer has had enough of the army and wants to lead a normal life, but his sister's interference brings him a bride he doesn't think he's ready for. Can a former ballerina and a former soldier find love in the town of Glendive, Montana? And while they work that out, will the elusive groom finally be found? The Elusive Groom series follows the incredible journey of Bride-to-be, Honora Carson, in her search for her missing groom. On arrival in Glendive, Montana, as a mail order bride, she is shocked to discover that Titus, her intended, has disappeared without explanation. Honora's determined journey to find him takes her on a roller coaster ride of romance, where she finds herself embroiled in more than one love story along the way, before finally completing her own! Each book in the series is a wonderful standalone story, and also part of a larger story that spans the entire series.

Customer Reviews

This was a new series and to be honest I couldn't wait for "the next one" to come out. I have all of them and am waiting for the last one to come out. I hope it is soon.

I loved this book from beginning to end. I couldn't put it down until I finished it. I can't wait for the next one to come out. Please hurry with the next one

Too Short but too short

Another great short read by Terri Grace! This is part of the continuing story of Honora Carson's missing fiancé Titus. He is the one who kidnaps Augusta on her wedding day after she marries the deputy sheriff. Thus leading Ed to the 2 bodies of the missing deputy sheriff and the missing train formen. Ed found his wife unharmed but they found the 2 graves and transported the bodies back to town along with the evidence he found against sheriff Clay. I am looking forward to the last book in this series. I feel Honora will finally get her Titus back and be able to marry him and all of the corrupt people will be put behind bars where they belong. I highly recommend this book!

A great book about a young lady who was a dancer when she was hurt by a falling beam in the theater where she was the Star. A young man left the Army coming home to family who wanted him to be a Deputy Sheriff, marry and stay in town. Sister sent an advertisement for a Bride and the young lady answered the advertisement. There were missing people, robberies, and many other events. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

Another good story about believable and likeable characters. I have enjoyed reading her other books and look forward to more.

Just finished reading Dance of the heart. What a great book I really love this series. Keeps you reading more. Thank you

I love this series and can't wait for the next book. I love to read your work, it really amazes me on how women survived in the wild west.
