Tales From A Not-So-Graceful Ice Princess (Dork Diaries, No. 4)

Synopsis

In the fourth book of the New York Times bestselling series that's as popular as it is dorky, Nikki Maxwell is determined to help out her crush! Nikki Maxwell isn't at all surprised to find out that her crush Brandon volunteers at a local animal shelter. He's such a sweet guy—of course he wants to help those adorable puppies! Then Brandon tells her that the shelter is in danger of closing, and Nikki knows she can't let that happen. Especially when she discovers a shocking secret about Brandon that makes keeping that shelter open more important than ever. So Nikki and her friends Chloe and Zoey enter an ice skating competition to help raise money for the shelter, but (big surprise) Mackenzie has to stick her nose in and cause trouble so that she can be the one to swoop in and save the day. No way will Nikki let that happen: She'll just have to come up with some extra creative ideas this time!

Rachel Renfroe Russell is a lawyer who prefers writing children's books to legal briefs. (Mainly because books are a lot more fun and pajamas and bunny slippers aren't allowed in court.) She lives in Aldie, Virginia.

I bought this for a Christmas angel gift for underprivileged kids and we all were ready it before we sent it on. They are funny ,whimsical and very pertaining to kids and their problems in school and with friends.

While the Diary of a Wimpy Kid series is by far the most popular series in my school library, Dork Diaries is also very popular. I must confess that I find Dork Diaries more enjoyable. Maybe it's because I don't find Greg very likeable, maybe because I can relate to a girl main character better. But I think that it is most likely because Nikki personifies so well the dramas of middle school. I have to laugh at how horrified she becomes at things that I no longer would even blink at, but which really are so important to kids at that age. I also like Nikki and her friends because they are real with talents and weaknesses who often make poor decisions and then have to live with the consequences. In this particular book, Nikki and her best friends are putting together an ice skating routine to help save an animal rescue organization. But then Nikki tries ice skating and discovers that she has trouble just standing up. She decides to try to get out of the charity event and then finds out that her crush, Brandon, has a special connection to the shelter and she must do something to help. At the same time, Nikki's nemesis Mackenzie does everything she possibly can to make Nikki's life more difficult. With plenty of drama as well as humor, I couldn't help but cheer Nikki on as she struggles with her challenges both at home and at school. Girls especially will find much to enjoy in this series. The humorous illustrations add the perfect touch. I highly recommend this series to middle grade readers looking for something beyond Diary of a Wimpy Kid.

I actually think I enjoyed this book the most! It's SO funny, and you won't BELIEVE what Brianna does. Like, when you're a little past the middle of the book, you're literally gonna puke of laughter! I'm SO not lying! This book truly deserves its 5 stars!!!! :)

It's an amazing book especially for girls in junior high. I had a lot of fun reading this story... don't forget to read the first ones before you read the next one! They are all connected (they are all one story in many books). I absolutely loved this book enough to read it again!!

I consider myself as a sassy type of dork at my school. But this girl got more problems than you could imagine. Just think that Nikki Maxwell could have written more excitement when she got her phone. And I really like how every situation gets deeper and deeper. And at the end she says I'm

such a DORK. I love the series and can't wait for new Dork Diaries books. And my rate is FIVE STARS!!!! OR A MILLION!!!!!!

This book was so hilarious! It's a VERY good book!!! I really enjoyed reading this silly book! And you should to!

I chose this rating because this book was AWESOME! My favorite part was seeing a sneak peek of the next diary: Dork Diaries 5: Tales of a NOT-So-Smart-Miss-Know-It-All! I would recommend this book to my friend, Kylie! ;D~Thank you!~

Bought this for my 9 year old niece. She loves this collection! Great Book, keeps her entertained. Great price too! Shipped quickly.
