# The Three Heavens: Angels, Demons And What Lies Ahead

## Synopsis

BATTLES ARE RAGING BETWEEN ANGELS AND DEMONS OVER YOU John Hagee's breathtaking biblical tour of the three heavens takes you inside the timeless clash between the Kingdom of Light and the Kingdom of Darkness and explains why that battle makes all the difference in this world and the world to come. In *The Three Heavens*, Hagee uses the Word of God, science, and incredible true stories of the supernatural to explore the First Heaven. He then exposes Satan's diabolical tactics in the Second Heaven and how they affect each one of us. Finally, he looks at the deep riches of the Third Heaven and how our hope of that eternal home changes our life on earth.

Would it surprise you to know the Bible talks about three different heavens, not just one? Are you curious about the difference between each heaven and exactly what goes on there? Pastor John Hagee's much-anticipated sequel to his current New York Times bestseller, *Four Blood Moons*, details for his multitudes of readers what's to come at the end of this life and why it's time to start thinking about the world that awaits. This breathtaking, biblical tour of heaven also reveals something people rarely consider: the unseen battle that is fought over us every day. *The Three Heavens* clarifies how this timeless clash between the Kingdom of Light and the Kingdom of Darkness has influenced world history, how it drives the forces in our current culture, and how it will impact all that lies ahead, both for you and those you love.

John Hagee is the author of several New York Times bestsellers, including *Four Blood Moons* (more than 700,000 in print), along with *Jerusalem Countdown*, which has sold over one million copies. He is the founder and senior pastor of Cornerstone Church in San Antonio, Texas, a nondenominational evangelical church with more than 20,000 active members. He is also the founder and president of John Hagee Ministries, which broadcasts his radio and television teachings throughout America and in more than 100 nations worldwide. Hagee is the founder and national chairman of Christians United for Israel (CUFI).

I admit I started this book with a certain level of skepticism. Heaven, its nature and our relationship to it is one of those topics which stirs our hopes and fears like few others. What is heaven like, where is it located, am I going there, are questions most of us have asked at some point in our lives. In this his latest book, John Hagee takes you on a well written journey in search of the Biblical heaven, or to be more precise the Bibles three heavens. In this three part book, Mr. Hagee looks at the three heavens mentioned and implied in the Biblical record and shares his thoughts and perspective on their nature as described in the Bible.

Part I looks at the Biblical heaven we see each night as we turn our heads to the fathomless beauty of our solar system and the galaxies beyond. Mr. Hagee describes some of the Biblical reasons why king David wrote those famous words in Psalm 19. "The heavens declare the glory of God and the firmament sheweth his handywork"

Part II looks at the so called heaven between the celestial expanse we see and dwelling place of the YHWH, the living God of the Bible. This part of the book documents the battleground of the spiritual forces of good and evil. In vivid and sobering detail Mr. Hagee shows how these spiritual battles have a profound influence on our lives. As a father of five children I especially appreciated his bold expose of the dangers which we have allowed to infiltrate our societies, homes and personal lives. Even more I appreciate the sound Biblical advice he offers to combat them.

Part III looks at our future home and the dwelling place of YHWH our Creator. Here Mr. Hagee offers a vivid description of the "third heaven" and those who dwell there. This part of the book offers a hopeful contrast to the sin and rebellion evident under the realm of our own temporal heaven. Even though there were a few conclusions in this book with which I disagree, I really enjoyed taking this heavenly journey through the eyes of Pastor Hagee. If you are interested in the subject of heaven I encourage you to pick up a copy of *The Three Heavens* and then open your Bible as a Berean and see if these things be so...

Pastor Hagee's books are always easy to understand and well written with lots of scripture references. The Three Heavens is true to his style, very easily understood and could be your map to Heaven. Please read this book and share it with others, especially friends and family who aren't in relationship with Jesus. God bless you.

It started out very inspiring, very informative; then about halfway through it became a platform for Hagee. I totally lost interest at that point.

I am a frequent watcher of Pastor Hagee's broadcasts and have read his books. What attracted me to this book was the subject and his superb teaching style. I had a slight understanding about the existence of the three heavens but needed more knowledge. I found what I was seeking in this well-written and solidly constructed book. Pastor Hagee has contributed an important book on the study of heaven. I would place it alongside Randy Alcorn's book, Heaven. In truth, most believers do not properly grasp the truth that there are three heavens. I will not even go into what non-believers know about heaven because it is little. Knowing the truth about there being three heavens forms a basis of true fundamental belief in Christianity. One can fully understand some of the scriptural teaching of Christ and the promises of God by knowing about the three heavens. For clarity, Pastor Hagee breaks down the three heavens into the First, Second and Third Heaven per a modern classification and labeling. The First Heaven is the heaven (reality) we see with our natural eyes. The Second Heaven is where Satan has his throne and the fallen angels dwell (unholy dark realm). The Third Heaven is where God has His throne (celestial kingdom) and rules and reigns over the universe. Pastor Hagee goes into great detail with scripture, personal tales, experiences and science to illustrate his point. It is hard to classify this wonderful book because it is equal parts biblical truth, prophecy and a personal testimony of faith. I enjoyed it and read it to my wife. It is a good book to expand one's knowledge about God's love, divine plan and order.

From listening to John Hagee, and then reading his books, I have become much more educated on Bible scripture. This book is very powerful, in his description of Satan, how he and his minions can truly disrupt our everyday lives if we don't stay fully embraced in our faith in our Lord and Saviour Jesus Christ. I am currently reading about angels and am looking forward to learning how they play such an important role in our lives. I would recommend this book to all that want to really know the importance of our Saviour Jesus, angels and how scary Satan really is. Cindy

I couldn't put it down, it was full of much information. I didn't realize that technology had accomplished some of the things discussed. It is very interesting and thought provoking.

Enlightening a lot of what Hagee writes he learns from his mentor Derek Prince. Derek Prince's books are powerful too. Hagee is a good teacher. I'd recommend this book. People really need to be aware of the devil and his realm in these last days. Man if we are not battling the enemy pushing back the darkness we are going to perish. We are not to be ignorant of Satan's schemes this book will educate one some what but there is always more to learn. We are in a spiritual battle whether we want to be just as well learn how to fight back. And win!
