7 Keys To Comprehension: How To Help Your Kids Read It And Get It!

Synopsis

It's simple: If children don't understand what they read, they will never embrace reading. And that limits what they can learn while in school. This fact frightens parents, worries teachers, and ultimately hurts children. 7 Keys to Comprehension is the result of cutting-edge research. It gives parents and teachers--those who aren't already using this valuable program--practical, thoughtful advice about the seven simple thinking strategies that proficient readers use:

- Connecting reading to their background knowledge
- Creating sensory images
- Asking questions
- Drawing inferences
- Determining what's important
- Synthesizing ideas
- Solving problems

Easily understood, easily applied, and proven successful, this essential educational tool helps parents and teachers to turn reading into a fun and rewarding adventure.

Most of my students are struggling to learn to read but every once in awhile I work with a student that decodes well but has comprehension issues. This book is very helpful in designing lessons for this type of student. If you are a reading teacher or an involved parent this is a good book to read and a good book to have on the shelf to refer back to.

This book gives you exact and clear explanations. It offers direction and examples for the parent and the teacher to use. I paid a lot of money to for testing for my child and this book have me the answer in the first 3 pages!! It helps my child that does not have pics in her head and my other two that struggle with comprehension. Love the book list!

The book is well written. I bought a copy for myself and for my daughter's 8th grade English teacher who said my daughter had trouble drawing inferences from texts.

This book breaks down researched based evidence that were sought out over 30 years ago of keys or strategies to comprehension. This book give detail of what the child or student should be doing for comprehension. This book give tips if how to solve some of these issues if the child. I enjoyed reading this book!

With these 7 KEYS you can remind yourself, and others, why and how to better read. Reading can be fun! Reading this book will challenge you to rediscover reading. It will awaken a want to show others how to read for COMPREHENSION. And the list of recommended reading is superb! Read it for yourself and you'll comprehend!

There are two kinds of pedagogical books. Those that are parent-friendly and those that are teacher friendly. This is a teacher-friendly textbook.

Very good resource for promoting good educational practices with your kids! Highly recommended.

Arrived in good condition.
