Author Tom Hedrick has been the "Voice" of professional and college teams for 43 years, including the Kansas City Chiefs (KCMO Radio), Cincinnati Reds, Texas Rangers, Dallas Cowboys, University of Kansas Jayhawks, and Nebraska Cornhuskers. For CBS Radio, Tom called three Super Bowls and nine Cotton Bowls. Although he earned state and National Sportscaster of the Year awards seven times, Tom considers his greatest accomplishment to be his 30 years as a teacher and mentor to sportscasting hopefuls: every one of his students has succeeded in gaining entry into this exciting and challenging profession.

Thoroughly enjoyed this! So many perspectives and lessons. A fantastic read for a person starting to work on their sports broadcasting craft, like me!

This book contains great advice for budding sportscasters and good career tips for those trying to make it up the ladder. The name dropping is great but it would be better if there were a few more recent sportscasters. Well worth the read! I enjoyed it and found lots I can use for my career.

learning so much with this book

For grandson. Very pleased

I am up and coming as a play by play voice. The book is an amazing foundation. Read over and over.

This book had great articles of former broadcasters and good tips. I used it for RTV classes and it was enjoyable.
