Catechism Of The Catholic Church: Trent Edition

Synopsis

Centuries before the Catechism of the Catholic Church was published in 1992, encouraged by the Council of Trent, a catechism was prepared called the Roman Catechism or the Catechism of the Council of Trent. It was prepared for use by Pastors to instruct their flocks in the Catholic Faith. Educated lay people should know their faith at this level, therefore this catechism is recommended for study by all Catholics. It is laid out in a far different manner than the 1992 Catechism of the Catholic Church, which is laid out in a similar manner to Henry Denzinger's Enchiridion Symbolorum, which is in translation at the Sources of Catholic Dogma.

Customer Reviews

Great reference book for our bible study group. More information that I had growing up Catholic, good to review and reinforce my faith.

Great resource for knowing what the Roman Catholic Church teaches on Morality.

if you need a Catechism with a hard cover this one does the job well

The only drawback to this book is its size. It's about the size of a regular paperback book but much thicker with large writing which makes it difficult to use. I would prefer it to be a bit larger so it's easier to use. Since it's so small it's hard to hold it open when studying. I've been trying to find a Catechism in a larger size but they're few and far between.

When first reading this I realized how important education in the format of the Catholic Church is to be strong and rooted in the Mother Church. Faith can unfortunately wane when pressed with so much hostility towards the Church on the outside world. If you know both sides especially the pros then you can stay rooted in your faith when the Mother Church is bombarded with scandals. The Compendium and the Catechism were shipped together and came on time. Both were in perfect shape. I have to say that if you want to understand and not feel overburdened with dogma you are not familiar with get the Compendium. Without it I would have shelved the book. This is a must have in this Year of Faith.

Great book. Handy to have it in ebook format. Easy to access.

Used it very frequently during bible study. Perfect size.

Very readable - I like it in e-book format as the book is rather large. Food for the spiritually hungry who seek knowledge about their Catholic faith!
