Customer Reviews

I'm really excited to travel in Australia after I read this book, we have many relatives live in Australia, so hope we have an opportunity to visit them. If so, this book would really helpful for us as it contains many useful interesting information about Cities, Sights & Other Places we need to Visit. I would give it five stars, if it contains pictures of these cities, sights and other tourist destinations.

The book is the best of its kind. I think this book to be one of the best which I have read about Australia. It passes through the information that it is organized in a logical way that's easy to access, read and understand. It is easy to read and understand which belies the underlying complexity of the material and is a testament to the skills of the author. Very highly recommended!

If you're planning to visit Australia then you should not miss this book. It will be a good companion for you on your first visit. It has all the information you need to know about Australia traveling including transport, accommodation, and best places to visit. I recommend this travel guide.

I love kangaroos, ostriches, and koalas. And that's all I knew about Australia before this book. Australia is an amazing country. And this book poznmomila me with Australia, and also told about the most important differences. What makes Australia such an amazing country.

Australia is one of my top 5 countries I would like to visit in the nearest future and I'm attracting it by imagining and feeling that I am in Sydney already. You may think it's weird but by reading this book, it is helping me experience the place through my imagination and learn how I should make my plans if I'm there already. For sure I will have the best experience when I finally realized my dream of coming there. I think this is a pretty good travel guide.

This book is very informative, helpful and interesting for all the people who want to know about Australia. Truly interesting book with some great facts and tourist sights in Aussie. Thanks to the author for this great positive thinking book.

I'm definitely gonna travel to Australia one day! And there's one more reason for me to go there: a free accommodation at a friend's place in

Melbourne! So, now I have this book this will be a truly perfect guide for me and my family as well.

I have traveled to Australia several times, beautiful country, and visited most of the places the author mentions. I must say that this list is pretty good. These diverse places will give you the whole image of what Australia is.
