I Love You, Daddy (Little Golden Book)

Synopsis

Perfect for Father's Day is this fun and charming picture book in which dads are given thanks and appreciation for all the fun and important things they do with their kids! *I Love You Daddy* is written in rhyming text and is lovingly illustrated in vibrant color. LITTLE GOLDEN BOOKS have been loved by children for over 75 years. When they were first published in 1942, high-quality books for children hadn't been available at a price most people could afford. Little Golden Books changed that! Priced at just 25 cents and sold where people shopped every day, they caused an instant sensation and were soon purchased by the hundreds of thousands. Created by such talented writers as Margaret Wise Brown (author of *Goodnight Moon*) and Richard Scarry, Little Golden Books have helped millions of children develop a lifelong love of reading. Today, Little Golden Books feature beloved classics such as *The Poky Little Puppy* and *Scuffy the Tugboat*, hot licenses, and new original stories—the classics of tomorrow, ready to be discovered between their sturdy cardboard covers and gold-foil spines.

You, Daddy; I Love You, Mommy; I'm Not Afraid of Halloween; The Weather; and many more. ☺

I'm the dad so of course I love this book. The ultimate test is if my son says "dadda" as his first word so I reserve the right to lower my rating if he says anything else first. :-)

I purchased this book for my husband for Father's Day instead of a card (it was actually cheaper than many cards!). I put my 3 year old's handprints and my infant's footprints inside the front cover and wrote "Happy Father's Day" with the date. He loved it and my preschooler likes reading it with Daddy.

This series of books are a great price. And super for little readers! Specially that love their, mommy, daddy, grandma, grandpa. Get them all!
