Malibu Farm Cookbook: Recipes From The California Coast

Synopsis

From the beloved restaurant, a cookbook featuring more than 100 recipes that celebrates fresh produce, meals for sharing, and the beauty of coastal California. Situated at the end of the pier, Malibu Farm is beloved for its spectacular Pacific Ocean views, the freshly sourced ingredients on its ever-changing menu, and its warm vibe. Chef-owner Helene Henderson opened the space after the once-intimate dinners she hosted on the grounds of her home grew too large. Now, in Malibu Farm Cookbook, she invites you honor the shoreline and mountains of Southern California with dishes like Ricotta and Pea Frittata, Butterfly Beef Tenderloin with Horseradish, Seared Fava Beans, and Grilled Chocolate Cake with Caramel Sauce. Helene captures the spirit of her own farm with recipes using the morning's fresh eggs, the catch of the day, the luscious vegetables that grow all around, honey harvested steps from where it's enjoyed, and olive oil straight from her grove. Punctuated with luscious, vibrant photography, Malibu Farm Cookbook is a stunning sensory experience that transports you right to the edge of the Pacific.

Iâm head over heels in love with Malibu Farm Cafe and Restaurant. A meal at the Malibu Pier is my definition of paradise. Thankfully, a lot of the recipes are documented in The Malibu Farm Cookbook. The book provides a look at Helene Hendersonâm life and the evolution from caterer to farmer to dinner host to private chef to restaurant owner. The food style is local, fresh, and laid back. I received a copy of Malibu Farm Cookbook in exchange for a honest review.

This book is hands down my favorite recipe book. The recipes are simple and have a moderate number of ingredients. The book isn't gluten free or sugar free, but so much of it simply doesn't have those ingredients that I've been able to easily cook for multiple dietary restrictions. The author also has a fantastic sense of humor!

Delightful cookbook, it captures the menu and style of the great Malibu Farm Cafe. The new edition has a font that is easier to read. I also enjoyed the story of the creation of the restaurant.

I love this cookbook, every recipe we've made so far as been a huge success. The book is coffee-table worthy with hundreds of pages and beautiful photos of food and scenes from malibu. Malibu Farm was one of my favorite restaurants when I lived in CA, I'm so happy to keep a piece of it with me through this cookbook.

So many recipes in here have already become family favorites, such as Kale Caesar! You have to have this cookbook. Like no other.

The book was a gift to my daughter. She told me it is a "beautiful book" and found a recipe very quickly that she wanted to make for an upcoming dinner party.

Wonderful cookbook I love it , 3 more in my family got it too !!!! Can't wait to go visit and eat there!!!!

I have to say...I love this cookbook. The ingredients for the recipes are easy to find at any grocery store, and the preparation methods are simple. The dishes we have made so far have been fresh and flavorful. And extremely healthy too. I collect cookbooks. this is going to be one I use often from
