Bud Hastin's Avon Collector's Encyclopedia: Avon And California Perfume Company Products- 1886 To Present (The Official Avon Collector's Price Guide)

Synopsis

This book showcases Avon and California Perfume Company products produced from 1886 to 2007. For the first time since the book was produced in 1969, Hastin's ever-popular Avon reference includes hundreds of new color photographs! The addition of color to a large portion of this book will delight dedicated fans of the encyclopedia. Preserving the same format as the last editions, the book still includes over 200 categories: men's and women's sets; bottles; perfumes; colognes; jars; soaps; plates; samples and demonstrator kits; Albee figurines; Avon representative awards; men's, women's, and children's decanters; and more. Dates, pertinent facts about colors and variations, and current market values are included. You will love the new look of Bud Hastin's Avon Collector's Encyclopedia! 2008 values.

Customer Reviews

This handy and well laid-out book showcases Avon and the California Perfume Company products manufactured from 1886 to 2007. Over 200 categories of Avon collectibles are listed in an easy to view format, with hundreds of new color photographs to update and inform readers and researchers. Every item has its own description listed clearly beside it. Current market values, colors, variations, dates and other useful information is included along with helpful hints and tips for collectors.

Bud Hastin has dedicated 34 years of research in publishing books on Avon collectibles and the California Perfume Company. His seventeenth edition of the Avon Collector's Encyclopedia was

published in 2003.

I found the book very informative. I have 3500 collectors items from 40 plus years ago, and I was able to find them for resale. Just was not pleased that the book did not tell me how to join the Collector's Club for Avon Collectibles which I would like to join.

I collect the figure decanters and this has been so helpful with prices.

is very informative

nice read

Very informational. I found out the value of my Avon collection. Will use it in the future for other Avon items I come across.

This book has come in handy. My husband and I recently started collecting Avon decanters. This book has helped immensely. We no longer buy bottles that are not in perfect shape.

It is a pricing book. What does one expect?

I love Avon....I was a representative for over 5 years and received several rewards that are in this book. I like going to garage sales and finding things. Never know what kind of treasures are out there.
