Writing Skills For Nursing And Midwifery Students

Synopsis

Dena Bain Taylor is an experienced teacher of writing and critical skills across the range of allied health professions, and understands the types of writing nursing and midwifery students do and the writing issues they face. Her accessible, straightforward book ? tailored specifically to the content and conventions of nursing and midwifery curricula ? teaches students to write persuasively and correctly, both to support them in their courses and to prepare them for their professional careers.

Customer Reviews

The book is well conceived with familiar guidance on study skills and the basics of sentence and paragraph structure. It has a chapter on attribution of sources and avoidance of plagiarism, and there is a useful brief review of academic versus professionals writing for the press and for writing presentations.--Bob Price"Cancer Nursing Practice" (09/19/2013)

I purchased a new book, but the front cover was ripped and the book appeared dirty.

It was the book that was required for me to have.

Met all specifications, fast shipping

Easy to read. Thorough. Great guide for nurses to help improve writing skills and APA.
