Jack Of Hearts: Detective Jack Stratton Mystery Thriller Series

Synopsis

A thief on the loose. A marriage proposal rejected. A dead body. And Jack's vacation is just getting started. Jack Stratton is heading south for some fun in the sun. Already nervous about introducing his girlfriend, Alice, to his parents, the last thing Jack needed was for the dog-sitter to cancel, forcing him to bring Lady, their one-hundred-and-twenty-pound King Shepherd, on the plane with them. The dog holds Jack responsible and wants payback. On top of everything, Jack is still waiting for Alice's answer to his marriage proposal. When his mother and the members of her neighborhood book club ask him to catch the "Orange Blossom Cove Bandit," a small-time thief who's stealing garden gnomes and peace of mind from their quiet retirement community, how can Jack refuse? The peculiar mystery proves to be more than it appears, and things take a deadly turn. Now, Jack finds it's up to him to stop a crazed killer, save his parents, and win the hand of the girl he loves—but if he survives, will it be Jack who ends up with a broken heart? Customer Reviews

I love the Jack Stratton books and unlike some of the reviewers the only thing I was disappointed in was that it ended. I have read and loved all of them and these are not my usual style I am more of a Nora Roberts, JD Robb, Karen Rose fan, but I guess I just love Jacks personality so much.

I absolutely love these books! I love Jack, Alice and truly love Lady. This book seemed shorter than the rest and typically there is a twist in the books, but this one was more obvious. But it was still a good read and I truly LOVED the ending! What a beautiful way to end the book and I look forward to the next story with these great characters!

I have read all of the Jack Stratton novels and am really sorry to say that this one didn't hold my interest like the others. Not enough going on. I hate to say it, but I was disappointed:(. I won't stop reading the Greyson novels. I have enjoyed them. Maybe I was expecting too much?

All of the Jack Stratton books are great! I've been hooked, and waiting for a new one since I've read

them all!

loved the book, so far, Christopher Greyson does not disappoint.

Read it in one day. Great reading. Can't wait for the next book. Suspense and romance all in one. Great job!

I read all the Jack Stratton Mystery Thrillers I couldn't put the iPad down. I think I read each one in two days between riding to and from work, during lunch and dinner; and before going to bed. The stories have everything you want in a story, I highly recommend.

I have enjoyed this series very much! The characters are realistic and I find myself really anxious for the next book to come out! I will usually stop what I am reading when one of these comes out and read about Jack and Alice first!!a
