The Love Of A Master

Synopsis

A modern-day spiritual Master—his flawed, yet devoted disciple—26 years of profound, practical, and deeply personal lessons with universal relevance. The Love of a Master For more than five decades, thousands of followers worldwide called Dr. John-Roger their Wayshower on the path to Soul Transcendence in the Movement of Spiritual Inner Awareness. He wore the mantle of both the Mystical Traveler and the Preceptor—a consciousness that only appears on earth every 25,000 years. Jesus Garcia was a proverbial struggling Hollywood actor when he first encountered “J-R”—astonished to recognize the embodiment of a mysterious figure that had appeared to him in childhood. Soon their lives intertwined as “Zeus” became J-R’s live-in bodyguard, chauffeur, student, collaborator, and friend for more than a quarter century, until his passing in 2014. Garcia’s intimate memoir reveals the remarkable, day-to-day teachings of a wise and humorous Master to his all-too-human initiate, courageously shared with heart-rending transparency, vulnerability, and love.

"If you're looking for an account that honestly portrays the relationship between a True Master and one of his most devoted disciples, you have hit the jackpot. In this book you will find many examples, most of them quite unusual, occurring over a 26 year span of time, demonstrating the often arduous, but always Loving, experiences of two souls, J-R and Jsui, who have devoted themselves to the single purpose of the True Upliftment of all." Ron Hulnick, President, University of Santa Monica and co-author with Mary R. Hulnick, of *Loyalty To Your Soul: The Heart of Spiritual Psychology*, and *Remembering The Light Within: A Course In Soul-Centered*

Living" We love this book. Jesus takes us on a behind-the-scenes tour of John Roger's life and teaching, weaving humour, anecdotes, honesty, personal transparency and devotional insights. It is much more than a book of words; it is an invitation into the frequency of Love that John Roger represents. Thank you, Jesus and thank you, J-R." - Hollie Holden, artist, and Robert Holden, Ph.D., author of Shift Happens!, Authentic Success, Loveability, Holy Shift! and Life Loves You, co-written with Louise Hay

I have completed the reading of your book on the Love of a Master. Every sentence in the book shows your intense devotion to your Master. Spiritual Masters operate as ordinary human beings as well as superhuman beings at the same time. To attend on and take care of such a unique person is not easy and presents several challenges. Suddenly he needs something like an ordinary person and suddenly he is Master of All and needs nothing but is fulfilling the needs of others. Jsu you did a great job in taking care of JR! I commend your Seva! You have set an example for others to follow. I send you my love and Great Master's Blessings - Ishwar Puri

This is an amazing book about the travels and growth of two of my good friends - J-R and Jsu. If you want to know the ups and downs of working with a spiritual master and basking in the unconditional loving that is present, absorb this book. Some, who have not had the direct experience that Jsu and others have had, may question what is written. I suggest you suspend disbelief and let what is written and the energy behind it come into your consciousness -- even for just a moment. You may tap into the greater You, that is always available but not always focused upon.

One of the most amazing books I've ever read. I read several books but nothing like this.

Mesmerizing and inspirational
