Stephanie Lowell is an Associate in the Boston office of McKinsey & Company. She is a 1999 graduate of Harvard Business School (MBA) and Harvard's Kennedy School of Government (MPA).

I've just finished reading Stephanie Lowell's *Careers in the Nonprofit Sector*. I recommend it highly. Almost every page contains a profile about someone working with nonprofits. Lowell supports these profiles with thorough discussions of how to find work in nonprofits, why work for nonprofits, and what nonprofits are like. About half of the book categorizes the nonprofits. I found these the most useful sections. They subdivide each sector, list the hot topics, discuss the roles for MBAs, present profiles, and provide addresses and web sites. There are two recurring themes: the rewards of working for nonprofits and the importance of volunteering. Everyone working for a nonprofit or wanting to work for a nonprofit should read this book.
