WET 2018: Gallery Edition (Super Large Size)

Synopsis

Clothing is not an option, and bare naked skin rules the day! This sexy NSFW calendar will spice up 2018 with twelve hot male mermaids! Whether they are in the shower, in the pool, or in the seaÃ¢â ¬â ¢Dylan RosserÃ¢â ¬â„¢s men have two things in common: They are always as sexy as can be, and they are always wet. This hot, yet artful calendar is an appetizer for DylanÃ¢â ¬â„¢s book of the same name.The photographer has been shooting male nudes for almost two decades and has worked with beautiful men from around the globe. Based mainly in Ibiza (Balearic Islands), he often works in other locations like New York City, Paris, Los Angeles, Cape Town, Bali, and Sydney.This calendar includes several never-before-seen images taken in the Mediterranean Sea, in pools in Palm Springs and Los Angeles, in showers all over the world, as well as some studio work. Since Dylan never works with clothing, here he uses water, almost like a fabric, washing over the body. Wet 2018 is a collection of tantalizing images showing a mix of full frontal nudes; striking portraits; and a close-up focus on skin, water, and texture. Wet 2018 has got everything you want to see on your bedroom wall.

Dylan Rosser has been photographing the male nude for more than a decade. He has been based in London for the last decade but often shoot in NYC and Los Angeles

Originally from South Africa, Dylan Rosser started his career in the graphic design field, working on various lifestyle magazines in Cape Town. Starting out as a Junior Designer, he worked his way up to Art Director before moving to London in 1998. It was this move that brought about his change in direction, although his graphic design background still shows through in his work today. His work, featuring models from the UK as well as abroad, focuses on the sculptural beauty of the male form. Working with light and shadow, his style brings out the athleticism and sensuality of his subjects.DylanÃƒÂ¢Ã¢â‚¬Ã¢â„¢s WET project is all new imagery with the theme being water ÃƒÂ¢Ã¢â‚¬Ã¢œ and of course men! The water of the theme is both in stretches of natural sources - the Mediterranean Sea, pools in Palm Springs and Los Angeles ÃƒÂ¢Ã¢â‚¬Ã¢œ as an accoutrement adorning his spectacular models, and as a sensual mediator to speak to the beauty of his natural men using water as the only clothing source. The result ÃƒÂ¢Ã¢â‚¬Ã¢œ a book of sculpted male nudes in poses that are both shadowed in some and full frontal in others. It is a very sensual collection of some of the most magnificent raw forms Dylan has ever gathered.A fine teaser for the book of the same name on first class paper stock with very richly saturated color photographs of some of the most magnificent physiques imaginable.
