Lesbian Pantyhose Therapy (Nylon Nights Book 3)

Synopsis

Dr. Marie Vickers set out with good intentions, of that she was sure. Thirty eight, divorced, a successful therapist stuck in the mundane rut of suburban problems, her life was stable and bland. But beneath her success, she knew that she craved something more, something different, something that her ex-husband had never been able to give her. Then along came Kelly Connor. Eighteen and perfect, Kelly was a young woman plagued by a particular dream, a dream that had become an obsession, a sinful distraction that was impacting her college life. As Marie probes deeper into her patient's thoughts and fantasies, she uncovers a complex web of fetish and need: an attraction to older women, a need to be dominated, to be used. And, underneath it all, a curious hunger for soft, pantyhose and pretty feet. With each new session, the line between therapy and desire blurs. Lost in the grip of lesbian temptation, Marie begins to wonder just how far she is willing to go to treat her patient...
