## Customer Reviews

Martha Zschock lives with her family on Cape Cod. A former elementary school teacher, she was inspired by field trips with her students to write her first book, *Journey Around Cape Cod from A to Z*. Martha's journey has continued with more books in the series from other places including, Boston, San Francisco, Washington, D.C., Philadelphia, Chicago, Maine, Nantucket, and New York. Martha and her family enjoy the journey of creating the series, which includes lots of traveling, writing, painting, and meeting lots of wonderful children and adults along the way. Martha often collaborates on projects with her twin sister, Heather, an art director and freelance designer. When her twin sister had a baby, Martha began writing and painting for a new "Hello!" series of

board books which take the youngest explorers on journeys to several locations such as Florida, Brooklyn, Washington DC, Boston, Yellowstone, and America.

I love Hello Florida just as much as I love Hello New Orleans! This book has great pictures and is written well! We try to get books for every place our daughter travels to ... so it's nice to get books that are written well and educational of the historical landmarks!

Fun introduction to Florida's highlights. Nice, sturdy book.

Very cute book for younger children especially if their grandparents are "snowbirds" and they the children get to visit Florida.
