Customer Reviews

"Envelops into one volume some of the best teachings that each of these Torah luminaries brought forward in the last century. The choice of teachings, stories, and questions contained in this collective work represents some of the finest Torah learning for presentment at your Seder table." —Alan Jay Gerber, Jewish Star

"The Haggadah's layout makes it easy to follow the order of the seder, and Perlmutter's drawings at the start of each section are spectacular. The book is comprehensive. . . . It's a collector's item." —Steve Lipman, Jewish Week

"So this is, at least in my opinion, the best new haggadah of the year, and I recommend that you bring it to your table on seder night. It is the next best thing to having three of the giants of Jewish life sitting there with you." —Rabbi Jack Riemer, South Florida Jewish Journal

"Hands down the best new entry of the year. . . . I learned a lot, and considering that I've reviewed a dozen Haggadot in each of the last six years, that's saying something." —Jay Michaelson, Jewish Daily Forward

"Offering a

fresh and original look at the Seder night, this Passover Haggadah is a unique compilation of the teachings of Rav Kook, Rabbi Soloveitchik, and Reb Carlebach. Together with discussion questions and contemporary insights, this Haggadah powerfully engages the reader on the most compelling and memorable night of the year "The Night That Unites." •Dov Peretz Elkins, *Jewish Media Review*

Aaron Goldscheider has served as a synagogue rabbi for 20 years and received his rabbinic ordination from Yeshiva University.

Good Haggadah. Considering the source influences of Rabbi Kook, Rabbi Soloveitchik, and Rabbi Carlebach, I had expected more depth and breadth.

This new Haggadah is wonderful; beautifully laid out, with thoughtful and informative perspectives of leading rabbinical authorities that provide insight into each section of the Haggadah. Aaron Goldscheider has done a masterful job in putting this together. It's a version that I will hopefully use at each Passover seder for years to come. Bravo and yashar tihiye kochacha Rabbi Goldscheider.

Excellent Haggadah offering many different stories, perspectives, and parts to the service. An essential addition to any Jewish library or support for Pesach. I highly recommend.

a wonderful combination of perspectives that enabled bringing new insights to my Pesach conversations. A beautiful text in layout, style, and content. You'll be the Tzadik at the table.

Beautifully selected and edited compendium, especially of the universal, humanistic tending commentaries and stories of these Gedolim [Giants].

We shared this with our grandsons who are Talmud scholars and they loved it Beautiful presentations and meaningful commentary

A wonderful addition to our seder> It was so excellent we have bought 4 more copies for our sons.
