# House Of Night TP Boxed Set (books 5-8): Hunted, Tempted, Burned, Awakened (House Of Night Novels)

## Synopsis

Dare to enter the House of Night with the next four titles of the series (following UNTAMED), collected in a beautifully designed boxed setWith more than 12 million books in print, rights sold in almost 40 countries, and over two years on the New York Times bestseller list (reaching as high as #1), the House of Night series by PC and Kristin Cast is an international publishing sensation. The series follows 16-year-old Zoey Redbird as she is "Marked" by a vampyre tracker and begins to undergo the "Change" into an actual vampyre. She has to leave her family and move into the House of Night in Tulsa, OK, a boarding school for other fledgling vampyres like her. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been Marked as special by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's hard to fit in when everyone knows you're "special." As Zoey tries to make new friends and maybe find a hot boyfriend (or two), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-faultless plans, to the mysterious deaths happening at the House of Night and all over Tulsa. Things at the House of Night are not always what they seem. Can Zoey find the courage deep within herself to find the truth and embrace her destiny?

So for me this series finally made a breakthrough. Do I still think that Zoey is an annoying character, and do I still dislike her? Yes. But the storyline has gotten a lot better. And I do have to admit that Zoey did grow, even if it's like 1%. But I think that Stevie Rae should have been the main character she's just much more interesting and better and she has grown on me a lot. She has a lot of responsibility and also guy trouble but unlike Zoey she can handle it. I look forward to reading her chapters and I'm happy that we are in other people's POV. My favorite is Burned because it has a lot less Zoey and more Stevie Rae and Stark and I also enjoyed being inside Kalona's and Rephaim's head. I love Rephaim and Stevie Rae's storyline. I would have liked to say I enjoyed Stark's more, cause he's my favorite character but no cause he was into saving Zoey, which I did enjoy but not as much as I enjoyed Stevie Rae's. Stevie Rae just seems more of a hero to me then Zoey and her storylines are a lot better. Hopefully I still like this series after reading Destined and Hidden.

Shipping and condition was awesome. But the author changed some stuff in the books . If you don't like different perspectives then don't get the books. It not just from two different people..it's like 5 people talking at once...I won't keep reading the book

Best series ever. My daughter loves these books. I was sad when I read them and came to the end of HON however I get to see the awe and excitement from my daughter as she reads them now and have someone to discuss the books with. These came exactly as pictured.

It came in the box it shows on the outside which is nice. Great quality!

A+

My teenage daughter ordered the series from 1-9 so far, I decided to read them along with her. We both love them. I am reading a book a day and she is close behind me. Ms Cast and her daughter are both very talented authors and make you feel like you are truly a part of the story.

Bought for my kids that were a fan of the first in the series and they begged us to buy the next set. They read them all in about a two week time period (took a bit because they had to form a line to get to read the book 5). I haven't read the series but, since it upped the reading time with our 4 kids, I LOVE the series.

OMG i just got 5-8 and i can't put them down..i can't wait to read them... and i have 10 my hubby and me thought book 10 was the 1st..but we were wrong.. and i have 1-4 and i love them all.. i can't wait to get 9, and 11 then i will have them all. P.C Cast and her daughter Kristin Cast are wonderful writers and i would love to meet them and let them know how much i love her books..i hope she keeps doing them and i hope will keep selling them so i can get them....
