Bringing Tuscany Home: Sensuous Style From The Heart Of Italy

Synopsis

I always imagine each of the signoras who lived in this house—where she shelled peas, rocked the grandchild, placed a vase of the pink roses. Now I would like to take one of these women back to my house in California to show her how Bramasole traveled to America and took root, how the doors there are open to the breeze from San Pablo bay and to the distant view of Mount Tamalpais, how the table has expanded and the garden has burgeoned. The “bard of Tuscany” (New York Times) now offers a lavishly illustrated book for everyone who dreams of integrating the Tuscan lifestyle—from home decoration and cooking, to eating and drinking, to gardening, socializing, and celebrating—into their own lives. When Frances Mayes fell in love with Tuscany and Bramasole, millions of readers basked in the experience through her three bestselling memoirs. Now Frances and her husband, In Tuscany coauthor Edward, share the essence of Tuscan life as they have lived it, with specific ideas and inspiration for readers stateside to bring the beauty and spirit of Tuscany into their own home decor, meals, gardens, entertaining and, most important, outlook on life. In her inimitable warm and evocative tone, Frances helps readers develop an eye for authentic Tuscan style, with advice on how to:

- Choose a Tuscan color palette for the home, from earthy apricot tones to invigorating shades of antique blue.
- Personalize a room with fanciful door frames, unique painted furniture, and fresco murals.
- Cultivate a Tuscan garden, adding fountains, vine-covered pergolas, and terra-cotta urns among the herbs and flowers.
- Select the best Italian vino. (Frances describes lunches at regional vineyards and imparts tips for pairing food and wine.)
- Create an atmosphere of irresistible, anytime hospitality—a casa aperta (open home).
- Make primo finds at local antiques markets. (And to help truly bring Tuscany home, shipping advice and market days for several Tuscan towns are included.)
- Set an imaginative Tuscan table using majolica and vintage linens.
- Enjoy the abundant flavors and easy simplicity of the Tuscan kitchen, with details on everything from olive oil and vino santo to pici and gnocchi, plus special homegrown menus and recipes.
- Make the most of a trip to Tuscany, visiting Frances’s favorite hill towns, restaurants, small museums, and other soothing places. With more than 100 photos by acclaimed photographer Steven Rothfeld (including several of the Mayes’s California home and its Tuscan accents), twenty-five all-new recipes, and lists of resources for travelers and shoppers, Bringing Tuscany Home is a treasure trove of practical advice and memorable images.

Customer Reviews

This is a nice book with a lot of information. It does not reflect the title. I was expecting a book that explained and highlighted the style of Tuscany from a home design point of view. This is more of a lifestyle-memoir book including favorite recipes of the author. There are few photos, and it gives little insight into Tuscan home décor or design.

The pictures! The prose! The advice!!! I am in love with this book. It is a quick trip to my happy place.

I absolutely adore the writings of Frances Mayes and her descriptions of decorating, color, and food inspire me to new heights

A lot more vacation and family stories , not much in the way of decorating/ pictures and ideas.

I received this book today and I was very delighted to see how the seller packaged it very nicely and carefully. I have not started reading the book but I already browsed the pages. The pictures are very beautiful and inspiring. I am sure I will enjoy and love this book. Thank you so much seller!! I am very happy I bought this book from you. More power to you!!!

I love Frances Mayes writing. I love decorating books with lots of visual ideas. This is not a picture book for that purpose. It will give you some ideas but it mainly is for reading her voice and the

pictures are a bonus. If you like her other books you will like this too.

the service and price were excellent, just didnt care for the book itself

Great anecdotal stories, recipes and "eye candy" photos-wish I was there, but book is the next best thing!
