Customer Reviews

Good score but difficult for just beginner. Some pieces require over high C, sometime high G! Not too easy but not boring. I recommend it!

So good, even I can play most of these and not sound too terrible. You won't be disappointed.

at this price, it cannot be beat. Now if I could only get my lip back.

A very nice place to start for beginners or for those coming back after a long time away

Some of these pieces had high notes way out of range for a beginner. Otherwise it was great fun.

The music is good, but I'm glad I have the 8.9" Kindle. I've only been playing the trumpet for a few weeks, but I can play a few of the tunes.

Just what I was looking for.

So fun! He has mastered a few and as a beginner it is nice to have some that can be mastered and are not baby songs!
