# Each Peach Pear Plum (I-Spy-Books (Viking))

## **Synopsis**

In this book with your little eye, take a look and play I spy - so starts the classic story from best-selling author/illustrator team, Janet and Allan Ahlberg. Each Peach Pear Plum introduces favourite fairy tale characters, such as Tom Thumb and The Three Bears and, with a poem on each page hinting as to what is hiding in the picture, children are encouraged to participate and follow the story themselves.

"Each Peach Pear Plum. I spy Tom Thumb!" In this engaging, interactive book for the very young, familiar nursery-rhyme characters such as Mother Hubbard and Baby Bunting sneak their way into the gentle drawings. Even young children who might not know all the fairy-tale stars can find them lurking in the cupboard, on the stairs, or deep in the woods. In the happy finale, the whole cast meets up for plum pie in the sun, where the little one on your lap will gleefully find everyone. An American Library Association Notable Book. (Baby to preschooler)

Allan Ahlberg, a former teacher, postman, plumber's mate and grave digger, is in the super-league

of children's writers. He has published over 100 children's books and, with his late wife, Janet, created award winning books such as Each Peach Pear Plum and The Jolly Postman - both winners of the Greenaway Medal. He has also written prize-winning poetry and fiction for older readers. Allan lives in Bath.

Originally published in 1979, this is one of those books that sat in our library until we had children old enough to enjoy it. Our son thought it was ok but our daughter really loved it. So much so that when I forgot to pack it to read on the bus to school one day I had a problem. Fortunately, the Kindle version of the book is very well done with the pages set side by side so that I can read them to my daughter and she can look at the pictures while I am reading. The illustrations are large enough (and my daughter knew the story well enough) that she can still find the 'I Spy' portion of the book while on my phone. With my older eyes, I prefer the tablet but both versions are still quite good.

This book is an utter delight. I had never heard of it before recommended it, but my kids are obsessed. My seven-year-old son has memorized it and sings it to the little kids, who often ask to have it read to them. I really like the way there is something for the kids to find/do with each page, but just one thing. We keep moving, but they are engaged. I also felt like all of the drawings were charming and memorable. This will be a new go-to gift for new parents.

I had forgotten how fun this book is! The rhyming is wonderful, but the illustrations are what make it so wonderful. It is truly a seek and find kind of book, where you find new little details nearly every time it is read. For this reason, it is one of those books that will grow with the child for many years to come.

Sweet classic book with fairytale characters referenced in a poetic rhyming sequence. Bought for my 1 YO but my 5 YO will also sit and listen.

Great "I spy book". My kids loved it 40 years ago and now my grandkids are enjoying it. Timeless and fun!

This is a fun and interactive book. It is not too difficult for young toddlers to find the familiar fairy tale characters that the author "spies" in the illustrations. The illustrations are amazing and unique to Allan Ahlberg. I do have to knock off a star for durability. This isn't the thickness of a regular board

book and my baby was able to bend the back cover.

If you are looking at this - add to cart right now - this is just the most adorable little book with the cutest artwork - in fact, order 2 so you can give one to whoever is expecting a little one next! Just so adorable!

This product is non sensical for even an adult. I am certain that my grand daughter does not understand any of it ...Don't recommend this book at all ...
