Robert Stone grew up hiking and backpacking in the Sierra Nevada Mountains in Northern California. As a boy he learned and practiced the basics of wilderness survival and low impact camping. Robert has lived in the Rocky Mountains of Montana since the late 1970s. When he is not

traveling, he continues to horsepack and hike extensively throughout Yellowstone National Park, Grand Teton National Park, and the Beartooth Mountains. His love of travel and deep interest in the outdoors led Robert to work on hiking guides year-round as a writer, photographer, and publisher. He has hiked every trail in every Day Hikes book.

Directed us to many fine hikes. Found their descriptions and ratings to be accurate. Completely satisfying. Wish they covered more areas.
