Customer Reviews

I have been doing a sudoku calendar for several years. This is the worst calendar I have ever recieved. The paper is glossy, it's hard to see what you wrote on it, then if you erase it smudges and it nearly impossible to redo. Also, some of the puzzles have darkened boxes which makes it difficult to do the puzzle. I am disappointed that a printer wouldn't be aware that a puzzle such as this needs to be on newsprint or a like paper. Will not order again!

This product has some great puzzles. Some of them I have not done before, like the sum sudoku, and it would be nice to give some hints as to how to solve it best. My main problem with it is the slick paper it is printed on. I use a pencil and it is really hard to print and erase on this slick paper. I would not buy it again unless that was changed.

I purchase this particular Sudoko Calendar every year. I love the variety of puzzle types and the challenges of the different levels. This year I also purchased one for my son-in-law. I wish more "variant" Sudoku puzzle books were available.

Got this for wife this last Christmas. She loves it as she is a Sudoku junkie.

My sister loves it!!

I love the variety of the puzzles in the calendar. It is much more interesting to have options beyond the classic grid.

I love this calendar. I enjoy taking time each day to relax and enjoy the puzzle!

This was a gift for my brother in law. He absolutely loves it and wants me to get this calendar over the other sudoku calendar I have gotten in the past.
