Pirates Don't Take Baths

Synopsis

This perfect story for bathtime is now available as a board book! For any young child (or pig), there are few things more excruciating, more traumatic, more torturous than bathtime. And this little pig is putting his hoof down. No. More. BATHS. But how can he possibly accomplish this? Well, by being someone else, of course. After all, everyone knows that pirates, astronauts, and knights in shining armor--just to name a few--never, EVER take baths. Now if only he can convince his mother . . . This humorous story is the perfect choice for kids and parents who know all too well the never-ending struggle of bathtime.

"Segal gives each spread a sly, silly magic." --Publishers Weekly, starred review --This text refers to an out of print or unavailable edition of this title.

As a child, John Segal absolutely hated taking a bath. Now all grown up, John lives in New York City with his family. John is also the author-illustrator of Carrot Soup, Lonely Moose, and Far Far Away.

LOVE this book! The Mom in the book has a great way to steer her hard headed little one in the right direction! My son loves this book!

My son found this one at school, and we "had to have at home" very cute book- easy to read after long day

cute story

Kids loved it! Great illustrations, very colorful! Good for all pre-schoolers & parents. Hope you enjoy this delightful tale as much as we do

My grandson loves this book!!!! Great book for pre-school, boy or girl, just a fun book to read. We find at the library, I he loved such much, ordered on .

Grandkiddos love the book.

I bought this book at the same time as another one that was absolutely outstanding, in fact I think it won an award. While perhaps not a fair comparison this one came in a poor second. It didn't hold my two grandsons' attention nearly as well. In fact the 3 year old got up and walked away in the middle of it, even though I thought you could read the telephone book to him and he'd like it. It's not a terrible book, it's just that there are better ones out there and I would recommend you look for one of those.

I can remember when my son was small and decided he didn't need to take a bath so I found *Pirates Don't Take Baths* to be a delightful book to read and share with young children. I also have an audio tape of the book so the children can listen to it with sound effects in the listening center in our preschool library area. They enjoy hearing books we share on the tapes and often listen to *Pirates Don't Take Baths* many times.
