Thank you so much for such a wonderful book that will grace the book shelves of all who use them at the convention, wherein, we can have the information at our finger tips, to refer to for the building of ourselves up in our faith in all Jehovah's promises! :) I can't wait to give the ones to my friends that I ordered as gifts; I know they will love them! :) Thank you so much, for the diligence in which you have presented such creative ways for us to remember what we will learn at the convention and also the quality of these books, so they can be referred to over and over, throughout the years, for our spiritual growth and wellbeing! :) Keep up the good work and I will look forward to the convention books for next year! :)

Excellent notebook! It fits with the quick pace of the talks and symposiums. Loved the personal application questions. The only thing that would make it better is if it were spiral bound, but I was able to fold it at the spine so it laid almost flat. This really helped me get the main points. I will use this again for next year.

Love, Love, Love this book. it just came yesterday, and now I am even more excited fir the up coming convention! ÆfÂ Ã Å,Ã â,,çÃ â ÆfÂçÃ Â•Ã Â▯ÆfÂ Ã Å,Ã Â•

I bought 2 of these books. One for me and one for my 11 year old son. I received a lot of compliments from others at the convention. This book went well with each symposium. It also keep me and my son alert the entire 3 days. Will definitely purchase again!!

Excellent tool for capturing notes from the convention. A must have for next year but this time I'm gonna get one for everyone in my family

We're so excited to use our new books! We have to wait until August, so I need to hide it so I don't look at everything too much. Thank you for all or your beautiful hard work.

Love this!! My notes are so organized and I can find the main points I want to remember easily!

Love it! Perfect for taking notes at the convention and for reviewing notes afterwards!
