"My husband is a Campus Pastor at Life Church, and this is a book that I would recommend to any couple. It is written in a very real and cordial manner. I felt as if we were sitting over coffee discussing together. Her stories are more than relatable, I felt them! Cindy offers Scriptural life change with humor and love. It was engaging, and too good to put down!" — Janet Brumley

Cindy Beall is a speaker, mentor, and the author of *Healing Your Marriage When Trust Is Broken*.

Cindy and her husband, Chris, walked through infidelity and found healing through Christ. Today they minister at Life.Church in Oklahoma. Cindy also serves on the Leading and Loving It team that ministers to pastors' wives and women in ministry. www.cindybeall.com

You never can imagine that you are called to the unthinkable, but God has a better plan. He brings us through around under and over the fire for His Glory. God's promises are real. His love is never failing. He always has me in the palm of his hand.

Even without the sin of infidelity there are serious challenges to marriage. This book really helped me see where I could improve and bring God more fully into my marriage.

This book is vulnerable and transparent...the description of feelings is right on. There are no "pat" answers but lots of challenges to trust God and let Him work.

This book was really awesome! And my husband and I really enjoyed reading it together. This book helped in the healing our marriage.

This is a must read for any marriage! We all need Jesus and His encouragement that we are NOT ALONE!!

Cindy is the real deal and her new book is a great resource for any married couple, whether you have gone through infidelity or not. Every marriage can use some tuning up and this book is a great tool. There are so many truths to heal, resolve, and move your relationship forward. One of my favorite things in the book are the truths vs. lies. Cindy will state a lie that we often believe about ourselves and then God's truths. It has really helped me focus on God's truth for my life.

Once again Cindy Beall has been a true "girlfriend" and sister in Christ, pulling up alongside the hurting with powerful, practical advice. That she uses her own life/story is an added bonus. Cindy and Chris can truly say, "Follow me as I follow Christ," and lead each reader into healing and Rebuilding A Marriage Better Than New!

Cindy is so wise, courageous and sincere! I loved her stories and words of encouragement paired with God's truth. I found this book & her first to both be incredibly helpful in my recovery. She has

brought me so much hope that I, too, can have a marriage better than new!
