Complete Kit For The Tabernacle DVD-based Bible Study

Synopsis

This new The Tabernacle DVD is a fantastic 6-session video-based study on the biblical Tabernacle, and is perfect for your personal study, church small group, or Sunday school class. Learn more about this movable tent of meeting in the wilderness of Sinai where God dwelt with his people. Experience an Expert-Guided Tour & Study of the Tabernacle Using the popular Tabernacle Experience™. A replica of the Tabernacle of Moses, this easy-to-teach study presents an expert-guided tour and explanation of each part. As you walk through this life-size model of the Old Testament Tabernacle, you will work your way from the Outer Courtyard into the Most Holy Place. Your teacher Shawn Barnard explains the significance and symbolism of each section of the Tabernacle. This ready-to-use Tabernacle DVD will explain-- Why and how the Tabernacle was built How the sacrifices pointed toward Jesus Christ: Sin Offering, Guilt Offering, Grain/Gift Offering, Burn Offering, and Peace Offering Why the Tabernacle is often called the "Tabernacle of God" because the design of the tent revealed God's holiness and humanity's need for God The symbolism behind the Golden Lampstand/Candlestick, the Table of the Bread of Presence, the Altar of Incense and more Why the Ark of the Covenant and Mercy Seat were at the center of worship How the Tabernacle relates to biblical holidays, such as Passover The parallels between the Tabernacle, Christ's ministry, and the church Anyone who enjoys the Bible can lead this study. You don't have to be an expert. Everything is self-guided. Tabernacle DVD-based Study Contents DVD of all 6 sessions Leader Guide Participant Guide Tabernacle pamphlet a fold-out, full-color diagram of the Tabernacle with each part identified. PowerPoint™ Presentation an optional ready-to-use presentation to expand the teaching. Includes dozens of illustrations. PDFs of promotional fliers, banners, door hanger, and posters, PLUS email header (jpg) and PowerPoint™ save-the-date slide (jpg). Each video is about 25-35-minutes long which gives you time to go through the Participant Guide and to have a discussion. Perfect for a one-hour session. And if you have more than one hour, there are optional discussion questions and even a ready-to-use PowerPoint™ that you can use to extend the teaching. Session 1 Dwell: The Tabernacle Session 2 Sacrifice: The Altar of Burnt Offering Session 3 Clean: The Bronze Laver Session 4 Illuminate: The Lampstand Session 5 Presence: The Table of Bread and the Altar of Incense Session 6 Separated, Exposed, and Covered: The Veil, the Ark, and the Mercy Seat

Customer Reviews

Shawn is not only a diligent student of scripture, but he has a passion to portray it plainly. In Nehemiah 8.7-8 (NIV), Israel's leaders "read from the Book of the Law of God, making it clear and giving the meaning so that the people understood what was being read." In this same spirit, Shawn brings his creative and compelling teaching style to help us understand the power and relevance of the Old Testament Tabernacle to our New Testament lives. Your church and small group will have their eyes opened and be deeply impacted by the beautiful reality of God desiring to be present with His people. --Jeff Noble, Lead Pastor of Northstar Church in Blacksburg, VA and Author of Super Center Savior

Shawn Barnard is a gifted communicator and speaker of the truth of God's Word. I highly recommend that you let Shawn take you into the Tabernacle and show you many things that have the potential to change your life radically and permanently! --Dr. Alex Himaya, Founding and Senior Pastor, Tulsa, OK

I can't emphasize enough the value of understanding the Tabernacle's importance in Jewish worship and for Christians today. The Tabernacle reveals the great promise of Christ present in this world and his presence available to each believer. This great truth is made exceedingly clear in The Tabernacle DVD. In great detail, Pastor Shawn Barnard blends clear Biblical teaching with unforgettable visuals. He takes viewers through The Tabernacle Experience's life-size, carefully constructed replica of the Tabernacle, while revealing the symbolism of each part and the great hope we have in Jesus Christ. Both informative and multi-sensory, viewers will not only learn of the great tradition of Jewish worship, but more importantly viewers will see how each aspect of the Tabernacle points to the promise of Jesus, God's Son and our Savior, who came into the world for the redemption of mankind's sin. I highly recommend this DVD series! --Dr. Richard Grant, Senior Pastor, First Baptist Church, Benton, Arkansas

Pastor Shawn Barnard MDiv has been introducing the tabernacle to church groups for many years. He graduated from Ouachita Baptist University with a degree in Religion and Communications and received his Master of Divinity from Southwestern Baptist Theological Seminary in Fort Worth, Texas. Pastor Barnard has been in ministry for over twenty years and has been a senior pastor for more than twelve years. He has traveled extensively throughout eleven countries equipping pastors, preaching crusades, and sharing the gospel.

not good for younger kids too much talking for them. but for adults it is great to see how everything old or new point to Christ.

I have enjoyed this Complete Kit for the Tabernacle DVD-Bible Study. I will be using this with a small group soon. Thank you so much.

It was awesome! Enjoyed it very much.

This is a great resource for a whole study. If however you are wanting something to show within an hour or 30 minutes that talks about all aspects of the tabernacle, this isn't for you because it goes over something different each that has to do with the furnishings of the tabernacle and the priestly attire. I would highly recommend it for a whole study and think it a great resource. The pamphlet that goes with it is priceless and the study guide to answer questions and lead discussions is very thought provoking in helping people understand all of the meaning behind the placement, the color, the material used and the reason for each piece.

DVD Review: The Tabernacle By Shawn Barnard, MDiv
Important Note: This review is for the 6-Session DVD and printable Leader Guide edition only. Therefore, other items in the Complete Kit For The Tabernacle DVD-based Bible Study were not available for review. Rose Publishing is currently a leader in publishing study books that are attractive, well laid out, and very useful; most of them are truly eye-candy. It is no different with The Tabernacle 6-Session DVD. I teach Tabernacle typology at a local Bible school; therefore, my expectations of Barnard's teaching may be a little higher than most. Barnard is a good communicator and the multimedia features added to the lectures are very helpful in aiding further understanding. Unfortunately, the audio in the lectures is uneven (the right channel is very low and unclear); still, the images used are beautiful; I just wish

they had used more of the relevant images throughout the presentations. Also, I'm not sure how I feel about some of the camera work; looking at the back of people's heads may seem interesting to some while unnerving others. Of course, most of the teaching was familiar to me; however, I did find one or two nuggets of gold in Barnard's teaching. As is common with any typological teaching, I think that sometimes Shawn went beyond the Biblical evidence in some applications (e.g. the Trinity in the Tabernacle?), but overall he tries to stay grounded in Scripture. Further, I could not agree with his statement that, "Everything in Scripture points to and finds its fulfillment in Jesus Christ." Most current scholars of Hermeneutics would not agree with that position. I think most of us can think of Old Testament passages that cannot point to Jesus in a typological fashion (descriptions of geographical locations, numbers, genealogies, descriptions of sinful behavior, etc.). That is not to say that Jesus is not present in the Old Testament; He certainly is present in every division of the Hebrew Bible! (See John 5:39: Luke 24:27, 44-45.) All the video sessions come in one DVD; the second DVD contains marketing materials for the class and also a 96 page Leader's Guide that is very nicely done and could be useful in teaching a class on the subject at your local church as it contains suggestions on group activities. Of course, the student's would have to avail themselves of the Student's Notes with fill-in-the-blanks elsewhere since they are not included in this package (see the Complete Kit for the Tabernacle from Rose Publishing that does include those). Viewing all sessions takes about three hours; hardly enough time to give an adequate overview of the richness of the typology found in the descriptions of the Tabernacle plan and function. This need not be seen as a negative comment; I just wish Barnard took his time explaining each lesson in more detail; he seems to have more to share than he had time to. Maybe Rose Publishing will produce a more complete course on the subject (one also has to keep in mind that Rose has a book and other materials on the subject that can complement the DVD series). Having said that, I think the DVD study is an excellent primer on Tabernacle typology for the average church member. Get this resource. You won't be disappointed. 4/5 Stars

Disclosure: The DVD set was received for free from the Rose Publishing book review program. The program does not require a positive review, only an honest one.

Highly recommended Tabernacle DVD series

Please note: This is a review of the "6-Session DVD Study with printable leader guide, fliers & posters (PDF)" not the "Complete Kit" edition.

My recommendation: I highly recommend this 6-session DVD series for individual or group study, with a disclaimer that the series is presented by a Protestant, and Catholics will note a few points that do not agree with Catholic Doctrine. The included DVD with PDF files for printable leader guide and

promotional materials was thorough and easily adaptable for many uses. Why the Tabernacle study? I facilitate a Salvation History Class and found the Rose Publishing visual aids were a fantastic way to engage in somewhat dry historical topics. I found myself being drawn to know more about the Tabernacle, just what was it, and maybe there was a story there to enhance my knowledge of Biblical history as well as my own worship. The topics were well covered and with depth to inspire me to review certain topics again. Highlights: I enjoyed the progressive tour of the Tabernacle which began with an explanation of how the 12 tribes of Israel were set up around the Tabernacle with the Levites closest to the Tabernacle. I found the series very easy to follow. I particularly enjoyed Barnard's presentation of theology of the Tabernacle in relation to specific scriptures and in relation to how we worship today. I intend to use the list of scriptures related to topics in the PDF leader guide. I had a few ah-ha moments, such as the high priest sprinkling blood on the Mercy Seat made of acacia wood on the Day of Atonement foreshadowing Christ's blood on the cross. Negatives/Distractions: (for which I will deduct one star from total of five stars) 1) Preacher-type presentation in front of a large stained-glass background. The audience, as seen from behind, were sitting in the dark and never seemed to move or make a sound. Very odd. I would have preferred to see less of Barnard gesticulating and more shots of religious artwork or illustrations depicting the topic at hand. 2) I am not in full agreement with Barnard's repeated "truth" that "Everything in scripture points to and finds fulfillment in Jesus Christ." My problem is with the "everything." I suspect his meaning is that the whole of scripture is a story of salvation. 3) Barnard's typology, in my opinion, was excessive to the point of being a distraction. In this case, less is more. This DVD series is a thorough but not overwhelming introduction to study of the Tabernacle which I suggest will fulfill the needs of your individual or group study as well as deepen your faith. In compliance with the Federal Trade Commission, Rose Publishing provided me with an advanced reader copy with the request that I provide a review, positive or negative.
