## Customer Reviews

Aileen Ellis, PgMP®, PMP® is The PMP® Exam Prep Expert. She is the owner and proudly the only instructor for AME Group Inc., a Registered Education Provider (REP®) through the Project Management Institute (PMI®). She personally instructs project managers to gain the confidence and knowledge to pass the PMP® Exam and the CAPM® Exam. She has helped more than 10,000 professionals obtain their PMP® and over 1,000 professionals obtain those coveted letters: CAPM®. Working with thousands of students from dozens of countries, Ms. Ellis has gained a thorough understanding of the ins and outs of the PMBOK® Guide, the exam content, and proven test-taking strategies. Ms. Ellis began teaching PMP Exam Prep Workshops in 1998 and CAPM Exam Prep Workshops in 2007. Over the years she has mastered how students learn best and has incorporated those lessons and methods into her PMP Exam Prep Books and CAPM Exam Prep books. Her approach is focused on understanding the Project Management Processes and their interactions, with limited memorization. Ms. Ellis not only leads workshops to help students study for and pass the CAPM® Exam, PMP® Exam, and the PgMP® Exam through review of content and hundreds of sample questions, she provides materials (books, sample questions) to other REP®s and PMI® Chapters to support their educational efforts. Ms. Ellis lives in Colorado Springs with her husband, Terry, and their two children, Nick and Alex. When not teaching, coaching or writing, Ms. Ellis spends her days hiking the Colorado mountains.

I bought this book to get ready to renew my CAPM under the PMBOK 5th Ed. This book was so much easier to use than the prep book I used five years ago, I wish I'd had it then. I really liked how this book led me through the PMBOK, and had exam questions for each subsection of the PMBOK, not just one big test at the end of each chapter. I went through the book twice and when I was doing 80% or better on tests, I took the PMI exam. All of Aileen's advice, like how to reason through the tough questions, came into play as no two PMI exam tests are alike. I passed on my first attempt, and only needed two hours to do the three hour test. I highly recommend this book. And BTW I viewed the Kindle edition on the Cloud Reader and had no trouble with any of the text or tables.

This book was extremely helpful for me in prepping for the CAPM exam. I highly recommend it!

Concepts are captured nicely. I read it as reference. Great book.

The best book. I use this and the Rita, but the actual CAPM questions were identical to this book.

A great preparation tool for the CAPM exam. Passed on first try.

Excellent book! Something that was expecting! Thank you!

Poor

This book had typos. It didn't reinforce previous material. It referred to other manuals instead of inserting the material. The study questions didn't prepare you for the exam except maybe 20%. Also there were very few math questions and the layout of those questions were nothing like the exam.
