Got this volume and the second volume together for my boyfriend for Christmas. I had already read them and since he has been a Coheed fan since the release of The Second Stage album, I knew he needed to have these. The price and shipping for both was fantastic and well worth the look on his face when he unwrapped them. The artwork, story, and the cloth binding of these books makes

them beautiful additions to any Coheed fans' collection.

Surprised my brother with this as a gift way back in 2013. Decided I wanted my own copy; however, by then it was out of print and scampers were asking upwards of \$700. This was a srsly no-brainer. Quality buy.

:D Claudio has amazing vision and I am so thrilled to have found this. Given to my boyfriend for christmas. It was his favorite present!

A must for any Coheed fan of course. Gripping story keeps you interested from the beginning to the end. The art work is incrincrible, from Wilhelm Ryan and his red army, down to the prise. Great read.

EPIC

I'm not a fan of comics but i love Coheed, absolutely worth every single penny!!

Big C&C fan, if you are you'll probably appreciate some context and the artwork. Now I just have to find YotBR

Great illustrations and story line!
