Philomena - Unwanted Bride (Young Love Historical Romance Vol.II Book 4)

Synopsis

Philomena Black has decided the next step of her life includes being a bride. When she finds out that she's been placed as a Mail Order Bride much more quickly than she expected, she's off to Nebraska and her new life. Unfortunately, upon arrival, she finds that her new life isn't going to be what she expected. But Lewis Meyers has no desire to marry. Finding himself in charge of his brother's children, and wanting to see them taken care of appropriately and to alleviate his responsibility with them, he uses an agency to hire a housekeeper. But marriage? No way! As Philomena seeks an alternative to being a mere housekeeper, Lewis sees the men lining up to court her and finds himself inexplicably jealous. Soon his heart yearns for this wonderful young lady to become more than a children's caretaker, but is it all too late? The question remains: will Lewis ask for her hand in marriage? And, more than that, will Philomena accept? Philomena's story is one of the amazing tales in the Western romance collection, Young Love Historical Romance Volume 2, by #1 bestselling clean Christian romance authors, Misty Shae and Terri Grace. Each story is a great read in itself, and can be read alone, or even better read them all as part of this adventurous feel good series.

Customer Reviews

A young lady that had reached a certain age had been coaxed by her Family to answer an advertisement for a Bride. A young man who had lost his brother was left with the children had asked for a Bride in his advertisement, the lady answered his advertisement and he sent for her only to start her as babysitter to the children when the other men in the town noticed her and called on Her. A must read for those who enjoy historical western romance kindle books from at a special price and from a duo of authors who keep me entertained throughout the entire book before putting it down.

I have read all ten of the books in this series and I enjoyed every one. I can't get enough of their writing. Always a good read. Thanks for so many hours of pleasure.

As all mail order books this is a nice light read that gets quickly to a HEA. She is going west to marry, he has asked for a nanny so confusing starts this relationship. She stays with it and with other men trying to court her, he sees what can slip through his fingers if he doesn't act fast. A good night time story.

Another great story about believable and likeable characters. I have enjoyed reading other stories by this author and look forward to more.

Short clean novella. Mail order bride mishap that resolves itself out of necessity and with a little help from the pastor's wife. There's no unnecessary angst to add chapters. I'm glad it wrapped up quickly so I could get some shut eye.

I liked Misty Shae's book very much. I hope you will enjoy the stories in this series they are each great reads!!!!!!

I loved this book. It was good, clean, exciting and to the point. I would read it again.
