Enlightened Darkness: Based On A True Story

Synopsis

Enlightened Darkness is the story of Joseph, a young child born in the South Sudan during its bloodiest conflicts. A refugee from birth onwards, Joseph, and his family, narrowly escape death time and time again. Their story, and those of most South Sudanese, is one of loss, and the power of hope while living under the most unfortunate circumstances. Follow Joseph as he journeys from Africa to India, on a quest to understand man, God, the root causes of conflict, and the pathway to peace. Join in his journey through the darkness in pursuit of the light.

Customer Reviews

I met the young man who is the author of this autobiographical account at a conference. His story is heart wrenching and yet filled with hope. For all of my friends who believe that we can have a brighter future or who need that hope refreshed, please read this compelling book and share it forward. I predict someday, Kuany will be awarded the Nobel Peace Prize...must read!
