Customer Reviews

Scott Smith writes for and publishes a construction trade magazine that focuses on Las Vegas construction and architecture. He lives in Las Vegas, NV.

My husband and I are going to Reno and Lake Tahoe this summer (2013) and could not find any travel books on these 2 places.I searched and found this one.It is compact and has a lot of information.

Very helpful

I made a mistake ordering this and hope you don't do the same. I didn't notice the "Spotlight" part of

the title and expected a full size Moon guide, however, this is a thin small book and only has major touristy attractions.
