## **Customer Reviews**

A very short novella that was great to read while sitting in my car at the foot of the hill waiting for the school bus. I plan on getting more of Mr. Miller's novellas. Twice a day I have to wait for the school bus. Once I went ice fishing and it was fun to be reminded of it while reading Prime Love. If you have a few minutes to visit another life then get this book. It was good and I highly recommend it.

This book held my interest! It had the kind of ending that I like - happy!! Will be looking for more like it by this same author.
