## Customer Reviews

Lots of great recipes

Soul food I some of the most spicy food that you can fix and I live spice that is found in this book.

Nothing to different from the way I cook already I was expecting something different. Only saw a few

new ingredients to try

there are a lot of good recipes in this book for the price ...some i already have but for the new chef this is a good starter soul food book

Never received can't give a review

If you want some down home soul food, this is the book for you!

I wanted to find a simple recipe book with good soul food recipes. I can't wait to try some soul food.

To short,,,,,,not enough selections.....could have been better.....not really good recipes for way back when people really cooked some soul food...
