Customer Reviews

Loved reading this book and can't wait to read the others but they are just too short. Hope you will be having new ones coming out soon.

Very good what I got for my 99¢

Love is finding the other half of yourself. This is a neat storyline that puts the bride in a place her heart can not allow to happen. Enjoy this story it will keep you guessing.

very interesting well story and it's about the land of the Scotland vs clans. worth it and keep up more stories and I'll be looking forward for Lena Cochran books.

I was disappointed with the ending which was so abruptly. The story was very good until then the ending just left me hanging.

Awesome read!

The characters were poorly developed, the plot line less than mediocre and the ending was written like the author had to turn in a term paper in a hurry.
