Snowboard Wisdom: 100 Reflections On Life And Riding

Synopsis

What can snowboarding teach us about life? A lot, actually. Life can be unpredictable, bumpy and harsh. Same goes for snowboarding, but it also has the potential for experiencing the highest of highs. In this small but elegantly stated volume, author and rider Nick Appl explores snowboarding as an analogy for all the discoveries, emotions, values and lessons that everyday life can offer. As anyone who rides a snowboard - or yearns to learn - can attest, the act is perfectly suited to teach us about what happiness means and how to find more of it.

Customer Reviews

It goes deep, and on so many levels. It won't teach you to snowboard, but it will teach the snowboarder THE wisdom, the lessons, how to weather the ups and downs of life. I find myself wanting to go back for more wisdom, there's good stuff in there.

My brother doesn't read much and loved this book.

I love it! It's a great book to read over and over. Also makes a great gift for somebody who shares the same passion.

Excellent product, reasonable price and fast delivery.

Easy to pick up and read a page or two for daily inspiration. Made me think about situations in a new light. Totally recommend it!
