The Sheriff Takes A Wife

Synopsis

"I feel as if I've been waiting for you all my life." —Cody Franklin, sheriff of Custer County
The first day Christy Manning visits her sister, Taylor, she meets Sheriff Cody Franklin. To Christy's shock—and Cody's—they're immediately attracted to each other. Intensely attracted. There's a problem, though. Christy's engaged to someone else, someone back in Seattle. So what's the solution? See what happens when *The Sheriff Takes a Wife*!

Customer Reviews

Debbie Macomber, the author of *Hannah's List*, 1022 Evergreen Place, Summer on Blossom Street, 92 Pacific Boulevard, and *Twenty Wishes*, is a leading voice in women's fiction. Three of her novels have scored the #1 slot on the New York Times, USA Today, and Publishers Weekly bestseller lists. Debbie Macomber's *Mrs. Miracle* was Hallmark Channel's top-watched movie for 2009. Winner of the 2005 Quill Award for Best Romance, the prolific author has more than 140 million copies of her books in print worldwide.

Generally I am a big fan of Debbie Macomber. Not this time! The story line was weak and the main character weaker still. I skipped over half the book to get to the expected ending. This story had little thought invested into it, a character that was so sweet she was 100% sugar and way too much. This wasn't a "feel good story", this was just unbelievable nonsense. Not at all what I have come to expect of Debbie. I found it hard to believe she was the author and that this wasn't written by her when she was 14 years old. Pass this one by.

After reading the previous book about the heroine's sister and loving it, I just had to have this one. Gads! It's horrible and nothing like the earlier book. The heroine is a spineless, cringing piece of work.*****SPOILER ALERT*****She is so gutless she lets herself become engaged to her parent's choice and then, after falling in love with another man, attends an elaborate engagement party so that 'she won't hurt her mother's feelings.' Her solution to the whole mess is to marry the man she loves and wait until later to tell her parents and fiance the truth. What????*****END SPOILER I personally don't like the whole 'falling in love at first sight' thing. To me that is based on physical appeal and I always wonder what will happen if one of them gains 20# or their hair falls out or something of that sort. In this story, I didn't feel that the two of them had anything in common except a physical attraction. In fact, this story was so boring that I resorted to skimming through most of it. I resent the \$3.99 I paid for it and the time I wasted on it.

The story's outcome was predictable from the title. There were twists and turns that probably no one in real life would have put up with. In the past I have enjoyed several of Macomber's books.

The 1st two reviews requested should have better descriptions. Debbie Macomber has been one of my favorite authors for a long time. I have many of her books in my library and collect her Christmas story books. I have to say that 'The Sheriff Takes a Wife' is not one of my favorite, however, I will definitely continue being a fan of hers and reading her books.

This book written by Debbie Macomber seemed to me to be one her first. I have read many of her books and I loved all of them, anxiously waiting for the next book in a series to come out. I can not say that about this book. The story line was not as "mature" and in depth as I am use to. I did finish the book and will read more of Debbie Macomber's books. This just was not one of my favorites.

Enjoyed this Debbie Macomber audio book. Slow start but worth listening to in the long run. I appreciate the company on my commute to work. :)

Great read..lots better than some of her other books... Lots of romance and all of her other infamous story line.

Nice, light reading. How can you not love a book by Debbie Macomber? This story takes you back

to the Manning sisters and all ups and downs they have when it comes to love. The Manning family loves to laugh and even when things get crazy, they are all still there for each other. A great beach read, it will keep you interested to the end. Another winner for this author!
