## Synopsis

Happenstance or Godâs Great Plan? Sheâs the bold, free-spirited type. Sheâs cute, sheâs fun, and sheâs following God. Sheâs Sierra Jensen, Christy Millerâs good friend, ready for her junior year of high school! All twelve books in the popular Sierra Jensen series come together in four volumes to reveal the ups and downs of Sierraâs incredible God-led journey! Volume Two: Paulâs voice lives in her memory, but now itâs loud, clear, and right behind her in *Close Your Eyes*. With summer fast approaching, it is Without a Doubt bound to be Sierraâs best yet. In *With This Ring*, she canât help but ponder the meaning of first kisses and lifetime commitments.

*Close Your Eyes* Sierra Jensen has prayed and prayed for the unattainable Paul, but no answers have arrived yet. She hopes a visit with her classmates to a homeless shelter will take her mind off Paul, but guess what? Heâs working there! Finally they talk, and before Sierra knows it, Paul agrees to come over for dinner. Their evening together is perfectâ until Randy shows up on Sierraâs doorstep! Can things get any more confusing? Without a Doubt What could be more fun than a backpacking expedition? Sierra canât wait to go, especially since things in her life have gotten soâ complicated. Paul has moved to Scotland, and Randy is moving into Sierraâs heart. But just when things start to make sense, Sierra is asked out by Drakeâ the gorgeous guy her best friend, Amy, likes. How can Sierra even think about Drake when she knows doing so will hurt Amy and Randy? When a freak snowstorm hits, Sierra suddenly realizes what really matters mostâ but is it too late? *With This Ring* Sierra is on her way to Southern California for the very best reason of all: a wedding! Tracy and Dougâs long-awaited I dos are about to happen, and Sierra is eager to join Christy Miller and the rest of their friends. As soon as she arrives, Sierra discovers that everyone seems to be in loveâ except for her. Thatâs okayâ she has what she needsâ a gold purity ring from her dad and a vow of her own: to save herself for marriage. But when Sierra returns home, she wonders if her best friend, Amy, has settled for less than Godâs best. Can Sierra convince her that purity is worth celebrating? *Story Behind the Book*â “After writing the twelve-book Christy Miller series for teens, a new character showed up on the pages of the final novel. Her name was Sierra Jensen, and she was so compelling as a teenage character that readers began asking for a series about Sierra in order to hear more about her life choices. Our family had just moved to Portland at the time, and I found it easy to picture a sixteen-year-old like Sierra shopping at the local vintage clothing stores, hanging out with friends at a garage band concert, and serving at the homeless shelter on weekends.â• Robin Jones GunnFrom the Hardcover edition.

## Customer Reviews

I have read all the Christy Miller books Christy and Todd books up to the 1st book of the married years. I have also read Katie Weldon and I've read Praying for your Future Husband. Each book has impacted me differently and God has really used it to show me and teach me things. Sierra Jensen though is defiantly the one I'm most like, and that's what my mom said too from the moment she read about Sierra. Anyway this book is amazing and I'd recommend it to every girl everywhere!- Bethany Anne

I would suggest it to anyone who liked the Christy Miller books. This was not my first time reading it I liked it so much I read it again and now my sister is reading it we don't usually like the same books but she asked to read these.

great

I am a school librarian and needed this book to complete "The Sierra Jensen Collection". I was very pleased with the book and the time it took to arrive.

This book is really good lots of people just read the first few pages of the vol.1 of Sierra and said they thought it was boring but I tried to read it and read more than the first few pages and loved it and know I can't live without it

I bought this for my daughter as I loved this series myself.

It came on time and brand new. I love it!

Nice book.
