Customer Reviews

I enjoyed reading Satisfy the Man of the House: Ten Brats who Learn how to Behave, if you enjoy getting hot and steamy and wet while reading then this collection is for you! It will keep you entertained through each of the stories.

The stories were good, but some needed a little better editing before being published. A Man of the

house bundle, if your not into that then don't read!!! Love most of the authors, a couple new to me, but overall I enjoyed the stories. Eliza and Scarlett are Very good authors!! I read everything they put out!!!

The stories in this book were very naughty & good; step-dads & their naughty step-daughters get closer to each other than anyone would ever thought.

good book For the price.

Not ONE so-called author can write! None of the stories made any sense, every girl was a slut (and had absolutely ZERO respect for themselves or anyone else), and the punctuation, grammar, and sentence structure was abominable. Each of the writers can barely spell, but oh boy, they can certainly spell curse words and every degrading word for male and female genitals correctly! No thought or real imagination was put into any of the stories, and they make men sound like dumb, animals in constant heat. Didn't even bother reading the whole compilation.PASS!!!!
