Customer Reviews

One of the better books I've read on the Craft!!!

Fun

It's very informative!! It was smaller than I thought though. Other than that, I think it is great.

great book

It could use some more spells. But its good I've learned a lot about what it means to be a Witch and more about different gods.

ebook - downloaded well, good read

Great Book for those who are beginners. Simple straightforward, but who also have enough experience reading that they recognize the simplicity.

A great guide towards witchcraft. This book discusses witchcraft in an unconventional way. It describes witchcraft as a form of earthly wisdom.
